## PRESIDENT PHYLLIS'S NEW YEAR MESSAGE |

### *New Year Message*

*As a member of Inner Wheel I have over 110,000 like-minded, inspirational and innovative friends around the world.*

*I wish you and your families a peaceful, healthy and happy New Year and great success with your clubs and projects.*

*It is also a time when we all make New Year wishes, so can I ask you all to join with me in wishing that the Inner Wheel aspiration of a safer world for women and their families, where poverty and loneliness becomes a thing of the past, comes true. ([Click Here](#))*

*Inner Wheel is the World's largest Women's service voluntary organisation and yet we are often the World's best kept secret. Therefore my other wish in this year of 2020 is for us all to shout from the roof tops of our successes and ongoing projects of making dreams come true, so that we can increase our membership and our friendships.*
