21<sup>st</sup> December 2020.

Dear National Representative,

## Official Announcement of the IIW Virtual Convention 2021.

Since the Jaipur Convention was unfortunately cancelled, the Executive Committee and the International Governing Body (IGB) have been working tirelessly to create an alternative. This would need to be commercially viable, entertaining and be a compelling event for Inner Wheel members and that it would be remembered for many years to come.

You will be able to join the 'IIW Virtual Convention', from the safety and comfort of your own home. Access could be via a home PC, laptop, tablet or even a mobile phone.

The IIW Virtual Convention will be on **17<sup>th</sup> and 18<sup>th</sup> April 2021**. There will of course be the business sessions with voting; entertainment; break-out rooms for special interest discussions; local 'virtual' tours and much, much more.

It will be very much a 'first' for Inner Wheel and promises to be a great and innovative event. The registration portal will be opening very soon, so keep watching IIW social media for further announcements and to book your place quickly to avoid missing out!

The very best wishes for the forthcoming festivities and a Happy, safe New Year.

Alan Phillips
