

# INTERNATIONAL INNER WHEEL

## UNITED NATIONS DAY

Dear Inner Wheel Members,

**24TH OCTOBER 2024**

United Nations Day, celebrated on 24th October, we reflect on the UN's commitment to global cooperation, peace, and sustainable development. This year's theme emphasizes "**Partnership for a Sustainable Future.**" Since its establishment in 1945, the United Nations has served as a vital platform for countries to unite in addressing global challenges such as poverty, climate change, health, digital technology, and human rights. As we commemorate UN Day, let us renew our hope and conviction in what humanity can achieve through global solidarity.

In the first year of the second century of Inner Wheel, we join forces to amplify the "Heartbeat of Humanity," forging a brighter and sustainable future. Our commitment to "**CEASE CERVICAL CANCER**" through vaccination exemplifies this mission. Under our theme, "**Heartbeat of Humanity – Every Beat Counts, Every Action Matters,**" we stand united for transformative changes.
